

## Vokey Music Lesson Agreement

Dear students and parents,

Thank you for choosing to embark on your musical journey with us through Vokey Music. We will start by customizing your lessons to the style and results you are looking for. Once we establish that, then we will lay out the plan that is specific to reaching your goals. We are passionate and committed to seeing you attain your musical potential and we will do our part by showing up every week prepared and ready to enjoy our time together. Listed below are a few details that will ensure our time together will be successful.

### **Attendance**

When you confirm your lesson time, that spot is reserved for you and will remain yours unless you confirm otherwise. If you are late to a lesson, the duration will be shorter as the next lesson will begin at their arranged time. If you will be away for a lesson, please give a minimum of 24 hour notice or else you will be charged for that lesson as that time slot is being reserved for you.

### **Lesson Payments**

Lesson payments can be made by check, credit card, cash or on our website [www.vokeymusic.com](http://www.vokeymusic.com) and are due upon the beginning of each lesson - also weekly, monthly, or quarterly prepayment can be made online. Lessons are \$18 for an half hour/ \$36 for an hour. All lesson payments are non-refundable.

If you have any questions at all, please do not hesitate to contact us. We look forward to many musical adventures together.
